FLAG FOOTBALL

The McSherrystown Lions Youth Football program is excited to announce our Little Lions Flag Football program for the 2018 Fall season.

Registration will be held at the McSherrystown Knights of Columbus on May 16th & 17th from 6 to 7:30pm.

Practices will be Tuesdays & Thursday during the season with a Monday practice before the season begins. Games will be held on Saturday morning. Practices are scheduled to begin in early to mid August.

Cost of registration is \$70, which will include a jersey, shorts and a mouth guard, plus all other flag football equipment that is needed. Parents will need to purchase cleats for their child. There will be no additional required fundraising for the flag program, though optional programs will be offered.

The program is open to all children going into K through 3rd grade. All practices will be at the McSherrystown Lions practice field.
