

## NOHS PRESCHOOL PICTURE RELEASE FORM

At the preschool, we like to take lots of pictures of your children enjoying themselves in their daily activities. We use the pictures for various projects for the student teachers and possibly district (calendars, posters, newsletters, yearbook, art activities, CVSD website, Donors Choose, learning activities, to mention a few). We take your child's safety seriously and never use names with the pictures, unless it is an art project or sent to you personally. During the course of the semester we also give you access to the google folder where they are access. As we take every child's safety into consideration, we ask that you also do not post pictures of other preschoolers or high school students on your personal accounts without permission.

Please sign and date if our program is allowed to take and use your child's picture for various activities.

---
