To: Educators interested in an Amazing Professional Development opportunity

From: EdCamp York Planning Committee

Please join us for EdCamp York on Saturday, March 24th at Dallastown Area Intermediate School. The event will run from 9 am to 1 pm. Doors will open at 8:15 for check-in and breakfast. If you have never experienced an EdCamp, this day will prove to be both exciting and inspiring! Not only is this a FREE event (food included), you will also walk away with:

- Ideas that you can immediately implement in your school/classroom
- New connections with educators from a variety of school districts
- Door prizes (if you are lucky)

Feel free to send this invite/information to any other educator or aspiring educator in your building and district too!

## What is an EdCamp?

An EdCamp is an unconference for educators—an opportunity for educators to come together and learn from each other on topics of their choosing. Check out this video for more information:
