WHO IS CHILD EVANGELISM FELLOWSHIP?

CEF is a non-profit, interdenominational Bible teaching ministry. CEF is a faith ministry and is supported by contributions from individuals, businesses, churches and church related groups. Here in eastern Pennsylvania we have 19 chapters covering 23 counties.

We are not a church nor a denomination.

WHAT

More than 2300 students in 85 elementary schools are enrolled in Released Time Classes or After School/In School Good News Clubs sponsored by Child Evangelism Fellowship of Eastern Pa. of which CEF of Adams County is affiliated.

HOW

After School /In School Good News Clubs are not sponsored by school districts but by Child Evangelism. There is **NO** charge to the students who participate. There are no public funds used in the cost of these Clubs.

WHEN

These Good News Clubs will be held on days that there is school. On days of early dismissal there will be no After School/In School Good News Club.

This time is agreed upon by the school administration and Child Evangelism Fellowship. Please see the other side of this form for more information.

ACTIVITIES

Since the purpose of CEF and After School/In School Good News Club is to instruct the children in the Bible, the children will:

- hear a Bible lesson of Bible truths with applications
- sing gospel songs and choruses
- be challenged to learn a Bible Memory verse
- play a Bible Review Game
- hear a missionary story.

As the children attend the classes, which are held October thru April, they will progress through the Bible in a chronological order and complete it in five years.

~ ~ Other Programs ~ ~

CEF of Adams County also holds **Good News Soccer Camps** and **Good News Creation Day Camp** in the summer. We also hold **5-Day Clubs** during the summer. These are commonly called Back Yard Bible Clubs.

PARENTS

Only you can enroll your child in the After School/In School Good News Club by completing permission form and returning it to the school office.

We look forward to having your child in Class!! If you have any questions, please contact the CEF office.
