

CONEWAGO VALLEY
SCHOOL DISTRICT

Pioneers in Educational Excellence

April 23, 2020

To the Parents of Incoming Kindergarten Students (Class of 2033):

The Conewago Valley School District is under a campus closure due to the COVID-19 virus. As a result the Kindergarten Screening Process will be postponed until the district is permitted to open. There is no date scheduled and the possibility of cancellation may occur.

Please be assured your child will be attending Kindergarten in August whether a screening is completed or not. Your child's classroom teacher will conduct all screenings once your child arrives at school on day one. The screenings are utilized to get a baseline of students and assist in classroom placements, but Kindergarten will proceed with or without the screening process.

If you have any questions please contact your building principal
