Treasurer Report:

Michelle was absent but sent a detailed written report with a letter explaining all resent changes and updates. All the bills are up to date. We also have purchased the burgers and they are paid for. Total income was \$63,653.22 - \$58,492.32 = \$5,160.90 Balance.

We made \$3,600.00 from the golf challenge and we will be giving the athletic trainers a check for \$1,800.00 this week. Startup will be tight with what we have left since we have our big orders to place. Motion to accept by Julie, 2nd by Amy.

Visitors:

Steve Storm asked for reimbursement for Penn State Wrestling Camp for 2 kids. Motion made to give \$200.00 by Sue, 2nd by Cheryl. (It was technically for last year that is why it was \$100 each.)

Steve Storm also gave a presentation for apparel orders. He had very high quality items. He left after the presentation so the board could vote on apparel.

Coaches Corner:

Mrs. Mowery had 2 girls who went to field hockey camp and asked for reimbursement. Motion was made by Cheryl and 2nd by Julie to reimburse them.

Mrs. Mowery asked if it would be ok if their parents would sell snacks & drinks at their field hockey games. The board did not see any problem with it. Also they wanted to have a car wash. They want to make money to pay for the paint to line the fields. Board did not have a problem with this.

Rob Patrick, Girls Soccer Coach, asked if he could be reimbursed for having a trainer come to help the team out, and wants to see if the Boosters would pay \$1050.00 of the \$2000 price.

The \$1050 would be the balance of his money. Motion was made by Julie and 2nd by Cheryl to give them the money as long as the parents work at the concession stand this upcoming season.

New Business:

Julia Lehman will be working on the Home Side Concession Stand for Friday Night Home games. Welcome aboard Julia.

Julie Steckbeck talked with Kay Jones and we have a new page on the School District Web Site. Julie has done a fantastic job of updating our site. We now have all the forms online that parents or coaches might need for the upcoming school year. She also will have our monthly board meeting minutes on their. Julie will keep this site updated with Kay. Thanks Julie!

The board has picked the artwork and person for the apparel.

Motion to adjourn made by Amy and 2nd by Julie.

Respectfully Submitted,
