Third Grade News

November 2020

Dear Parents and Guardians,

It's hard to believe that the first trimester of school is almost at an end! We are very grateful to have been able to be here with our students. They have done a great job adjusting to all the new rules. They continue trying their best, and are making up for the time lost last spring. We have had a successful first trimester this year!

As the trimester comes to an end, there are two major academic events this month. Student report cards will be released on November __. Please access your child's progress report in Skyward. Please carefully review the report card with your child. This will be an important step to prepare for Parent Teacher Conferences later in November.

Last month the office sent out an email inviting you to sign up for a Parent Teacher Conference. Our conferences will be different this year. We will be using Zoom to meet with you. Please be sure to sign up for a conference time on one of the three conference days: 11/19, 11/23, or 11/24. Your child's teacher will email you with the link to join the Zoom a few days before your conference time.

As always, thank you for your continued support during this unusual school year! Your flexibility and support go a long way in creating a successful learning environment for your children!
