

CVIS 9th Annual Mini-THON "4-Brooke"

the four diamonds fund
Conquering Childhood Cancer

Dear Parents,

Today, we had our Mini-THON Kick-Off Assembly. The purpose of the assembly was to share information with the students about our Mini-THON, which will raise money for The Four Diamonds Fund. The Four Diamonds Fund helps families with expenses associated with the care and treatment of children with cancer at Penn State Children's Hospital. The Four Diamonds Fund also uses the money toward researching a cure for childhood cancer.

At the assembly, we heard about Four Diamonds Families and learned more about our Mini-THON and the many events that we have throughout the year. The students are excited about participating in this wonderful event. This year, we will have registration and fundraising activities throughout the year. We are hoping to raise even more money and awareness for our Mini-THON.

Our Mini-THON, "4-Brooke" will be held on Saturday, March 14th from 11am to 4pm. In addition to making donations in cash, you can also create a donordrive page to allow people to donate on-line. When you return the registration form, you will get more information about the Mini-THON and how to register on the donor drive.

In order to participate, students must pay a \$10 registration fee and raise at least \$40 in pledges; thought students are encouraged to raise as much money as they can! The registration fee helps to pay for t-shirts and food for the day of the event. All other money goes directly to The Four Diamonds Fund. *If paying the registration fee is an issue for your family, please contact Bobbi Kreeger at CVIS. Don't let the fee discourage you from participating in our Mini-THON.*

On March 14th, the students who have registered and raised money will participate in a variety of activities. The goal for this event is to have fun and raise awareness and financial support for The Four Diamonds Fund. Some activities of the day will include: games, bounce house, dancing, Locks of Love, and line dancing.

If your son/daughter is interested in being part of the CVIS Mini-THON, please complete and return the registration/more information sheet on the back of this page. When they return the form, they will get a packet with more information about the Mini-THON and getting donations. In addition, the packet will include directions to register on the donordrive and information to give people about donating.
