

# We need your help to teach Junior Achievement at New Oxford Elementary!

Volunteers receive a kit with all the teaching materials that includes all prepared lesson plans *and materials* for various activities relating to each session. The teacher stays with you in the classroom while you deliver a fun and educational lesson plan.

Volunteer's time commitment:

- ❖ Attend one 60 minute new volunteer training.
- ❖ Five classroom visits lasting 30 minutes each at New Oxford Elementary.
- ❖ 20 minutes of preparation time for each lesson.

When you add up the volunteer time it is less than 1 hour per week for 5 weeks.

Teaching a JA program in your local schools would be a fantastic way to make a footprint on the future! If you would be willing to teach the five sessions, please contact either Kay Jones at [jonesk@conewago.k12.pa.us](mailto:jonesk@conewago.k12.pa.us) or 717 624-2157 and/or Anne Kahlbaugh at 717-843-8028 or [anne@jascpa.org](mailto:anne@jascpa.org).

Junior Achievement is a non-profit organization that teaches students with the help of community volunteers, about financial literacy, entrepreneurship and career awareness while preparing students to be productive members of the workforce and community. To find out more about the Junior Achievement programs log on to [www.jascpa.org](http://www.jascpa.org) or call us 717-843-8028.
