

Celebrating 25 years of Youth Basketball

The East Berlin Area Community Center is proud to host the 25th year of our all volunteer run Youth Basketball Program. This program offers a fun-based, non-competitive approach to learning the basics of basketball. The emphasis will be on an introduction to, and the development of, playing basketball in a team environment. All children play regardless of experience. The focus is on socialization, building self-esteem, and building character along with ball handling, shooting technique, rebounding and defensive principles.

Last year, boys and girls ranging from 5 to 16 years of age with many skill levels participated in our program. Youth are divided into the age groups below. Please keep in mind if there are not enough youth in one of the age groups, it will be divided with the younger youth moving down a level and the older youth moving up a level. Most games are played on Saturday with the exception of the 15+ team which plays on Friday evening. Saturday games begin January 18 and run through March 7.

5 & 6 year olds	Saturday 8-8:50am	Parent Meeting January 11 at 8am
7 & 8 year olds	Saturday 9-9:50am	Parent Meeting January 11 at 9am
9-11 year olds	Saturday 10-10:50am	Parent Meeting January 11 at 10am
12-14 year olds	Saturday 11-11:50am	Parent Meeting January 11 at 11am
15+ year olds	Friday 7:30-9pm	Parent Meeting January 17 at 7:30pm

Practice schedule will be announced once all volunteer coaches are selected. Practices are scheduled based on availability of the volunteer coaches. Teams will practice once a week for one hour. The 15+ team practice will be held prior to their game on Friday evening. We have found that having the older youth practice and play their weekly game on Friday evening works best for their schedule. If anyone or someone you know is interested in coaching or refereeing, contact the EBACC office at 717-259-8848.
